To all Florida Airports Council Delegates, Guests, Sponsors and Exhibitors:

The Greater Orlando Aviation Authority and the Florida Airports Council are very pleased to welcome you to the 38<sup>th</sup> annual FAC conference at Orlando's newest convention hotel, The Rosen Shingle Creek conveniently located in the heart of Central Florida. Every effort has been made to make this an educational and memorable conference as we discuss the challenges and opportunities in this fast-paced industry.

With this year's conference theme of "All Directions, All Connections", the agenda will reflect on Florida's legendary and rich history in aviation while focusing on the resources of travel, tourism and technology for continued success in our state.

Because of the partnership in program planning from representatives of the City of Kissimmee, City of Vero Beach, Melbourne Airport Authority, Sanford Airport Authority, and Titusville-Cocoa Airport Authority this year's program promises to include informative and motivating topics as we address the aviation issues of the day. In Orlando, the world's number one tourist destination, there are also a diverse selection of quality networking and relaxing activities planned for when the day's agenda and work are finished.

On behalf of the Greater Orlando Aviation Authority and the other airport partners, we again welcome you to this year's annual meeting. Please be sure to join us on Monday evening for our host event ... "An Evening to Just *Believe*". Have an extraordinary conference and please let us know how we can make your Florida Airports Council experience the best ever.
