# 2010 FAC Environmental, Noise Abatement & Community Affairs Conference

**Registration ✦ Exhibiting ✦ Sponsorship**

# Dear Friend of the Florida Airports Council:

**O**n behalf of the Planning Committee for the 2010 Florida Airports Council (FAC) Environmental, Noise Abatement & Community Affairs Conference, I am pleased to announce we will be hosting the conference on Wednesday—Friday, November 3-5, 2010, at Disney's Contemporary Resort in Orlando.

Previous years' conferences have been extremely informative and diverse and this year's will continue that tradition. Our speakers are made up of members from airports, state and federal agencies, and consultants, allowing us to provide our members with multiple and diverse viewpoints on topics that are important to us today and tomorrow. In addition to the numerous educational sessions we will be providing, there is the chance for formal and informal networking, the opportunity to meet new professionals and new FAC members from the environmental, noise abatement and community affairs fields, and the chance to meet industry leaders.

We are lucky enough to have scheduled this conference at Disney's Contemporary Resort in Orlando. The conference will commence on the evening of Wednesday, November 3rd, with a welcome reception. Thursday morning begins the educational aspect of the conference with Environmental and Noise sessions scheduled through Friday afternoon. Additionally, we have reserved two times slots for joint Environmental, Noise Abatement and Community Affairs sessions—one for Airport Land Use Compatibility presented by FDOT and one for Sustainability presented by the FAA. This year's conference will be a perfect balance between Environmental and Noise and will offer presentations that will help all of us address the issues of today and tomorrow in our ever-changing industry.

Don't miss the chance to join your colleagues as we delve into regulatory and management initiatives that affect the way our airports operate, how we are viewed by the community, and how we can responsibly accomplish our roles in the aviation industry.

Agenda and registration forms for this conference can be found at [www.floridaairports.org/meetings.cfm](http://www.floridaairports.org/meetings.cfm). If you have any questions, please contact Marycatherine Johnson at (850) 224-2964 or [mc@floridaairports.org](mailto:mc@floridaairports.org).

On behalf of the entire Conference Planning Committee, we appreciate your involvement and continued support and hope to see you in November!

# Sponsorship Information

2010 FAC Environmental, Noise Abatement & Community Affairs Conference ▪ Nov. 3-5, 2010 ▪ Lake Buena Vista, FL

**S**ponsorship is one of the best and most selfless ways you can support the conference and FAC. Sponsorship levels are Bronze, Silver, Gold, and Platinum. Your sponsorship will provide your company with increased brand awareness and recognition as a specialist in the environmental, noise and community affairs industries. One of the greatest benefits is that your company's name and services will be presented to Florida's technical experts in these very specialized areas.

*Your company will receive the following benefits, depending upon your level of sponsorship:*

## **Platinum Level Sponsorship: \$1,500.00**

Bronze Sponsor benefits plus:

- Three (3) Complimentary Registrations

## **Gold Level Sponsorship: \$1,000.00**

Bronze Sponsor benefits plus:

- Two (2) Complimentary Registrations

## **Silver Level Sponsorship: \$750.00**

Bronze Sponsor benefits plus:

- One (1) Complimentary Registration

## **Bronze Level Sponsorship: \$500.00**

- Acknowledgement of Sponsorship
- Recognition in the Conference Program
- Recognition on Sponsorship Board

## **Additional Bronze Sponsorship Opportunities: \$500.00**

- Flash Drives  
(Vendor must provide 150 count at vendor's additional expense. Flash drives provided will be loaded with the presentations and distributed to the conference attendees.)
- Conference Lanyards  
(Vendor must provide 150 count at vendor's additional expense)

**All sponsorship fees must be submitted by October 4 to ensure recognition in the Conference Program. Logos or graphics for inclusion in the conference program must be received by October 11.**
