ENVIRONMENTAL WORKSHOP

JANUARY 26, 2024

📍 Hyatt Regency Orlando International Airport
9300 Jeff Fuqua Boulevard
Orlando, FL 32827

1:00 PM - 3:00 PM

✉️ joanne@floridaairports.org
(407) 745 - 4161

ABOUT

Join FAC, the Environmental Committee and FAA management and Orlando ADO environmental staff for a joint environmental workshop. We will cover relevant topics such as:

- National Environmental Policy Act (NEPA) implementation issues in Florida
- Our current position and changes made in recent years
- Different roles and responsibilities under NEPA.
- Advice for developing projects for success from start to finish, including
 - a discussion of the classes of action (COA)
 - the COA decision tree, and
 - appropriate processes and planning efforts performed prior to project start.

Finally, we will review the contents of a solid environmental document.

Additional Opportunity: The ADO is providing availability on a first-come first-served basis for three 20-minute independent meetings with the ADO Environmental Team, beginning at 3:00 p.m. after the workshop. This is an opportunity to review your project(s) and engage the ADO Team regarding questions or support you might need to move your project forward. Airports that wish to reserve a break-out session MUST email joanne@floridaairports.org to reserve a spot.

FACILITATOR

ERIC CAPLAN

TPA SUSTAINABILITY & RESILIENCE PROGRAM DIRECTOR
FAC ENVIRONMENTAL COMMITTEE CHAIR

Eric, a Florida native from St. Petersburg, holds a B.S. in Environmental Studies and dual M.S. degrees in Natural Resource and Policy, as well as Environmental Engineering. With a background in energy, sustainability,

and buildings management. He previously worked for Manatee County, FL Government, and the Mayor's Office of the City of St. Petersburg. Eric currently serves as the Sustainability and Resilience Program Director at Tampa International Airport, overseeing initiatives such as the Sustainable Management Plan, Resilience Action Plan, and Airport Carbon Accreditation Program for the Hillsborough County Aviation Authority. He brings professional experience in Environmental Protection, Emergency Management, and Public Health to his role, focusing on community sustainability and promoting TPA's sustainability efforts.
