

Lift Aviators to New Heights

Donate to the Florida Airports Council's Education Foundation Fundraiser

Support the Heart of Aviation

The Florida Airports Council Education Foundation supports students pursuing aviation careers, advances the aviation profession, and promotes aviation education, research, and training. These goals are made possible through fundraising efforts and financial grants. To keep our engines running strong, we're hosting a raffle and silent auction to support initiatives that uplift and empower the entire aviation community. We need your help to make this year's fundraiser a high-flying success!

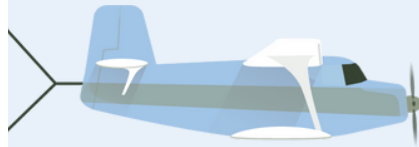

Why Your Donation Matters

Since 1990, the FAC Education Foundation has awarded over **\$454,000 in scholarships to nearly 200 students.** These scholarships support education and training for the next generation of aviation professionals. Visit our website to read testimonials from past scholarship recipients and learn how your donation can make a difference.

Education & Training Summit (May 7-9, 2025, Orlando, FL) celebrates the hardworking professionals who make the Florida airport industry thrive and offers valuable training opportunities.

Annual Conference (August 3-6, 2025, Tampa, FL) brings together airport industry professionals in Florida to network, engage, and learn.

WHAT WE'RE LOOKING FOR

We're asking companies to donate exciting items such as:

Airline Tickets	Hotel Stays & Local Experiences	Music or Sporting Event Tickets
Sports Memorabilia	Jewelry or Handcrafted Items	Craft Beer or Local Goodies

Your donation isn't just a prize... it's a way to:

-  **Inspire** the next generation of aviation talent.
-  **Support** hardworking airport professionals who make flight possible.
-  **Give back** to the industry that connects people, places, and opportunities.

Every contribution helps fund scholarships and makes an immediate effect on aviation's future. All donors will be highlighted in event materials and recognized on-site at each event.

Join Us in Keeping the Industry Soaring

Ready to support the FAC Foundation and make a difference?

Complete the [Donation Form](#) to have your item included in the fundraiser!

Contact Sierra LePore, Education Committee Vice Chair-Fundraising at slepore@tampairport.com for questions.

Thank you for helping us uplift the next generation of aviation leaders!
