The background features a complex, abstract geometric pattern of overlapping, semi-transparent shapes in various shades of blue and green. The shapes are primarily rectangular and triangular, creating a sense of depth and movement. The colors range from deep navy blue to lighter teal and forest green. The overall effect is a modern, architectural aesthetic.

Key Milestones

2021
IDENTIFIED

- Identified Sustainability as a **critical focus** for AdventHealth
- Assigned **executive sponsors** to lead Environmental Sustainability work

2022
COMMITTED

- **Reduce** Scope 1 and 2 emissions by 50% by 2030
- Reach **net zero** emissions across Scopes 1, 2, and 3 by 2050

2023
PUBLISHED

- Published first annual **Sustainability Report & Climate Resilience Plan**
- Expanded **Environmental Sustainability team**

2024
ENHANCED

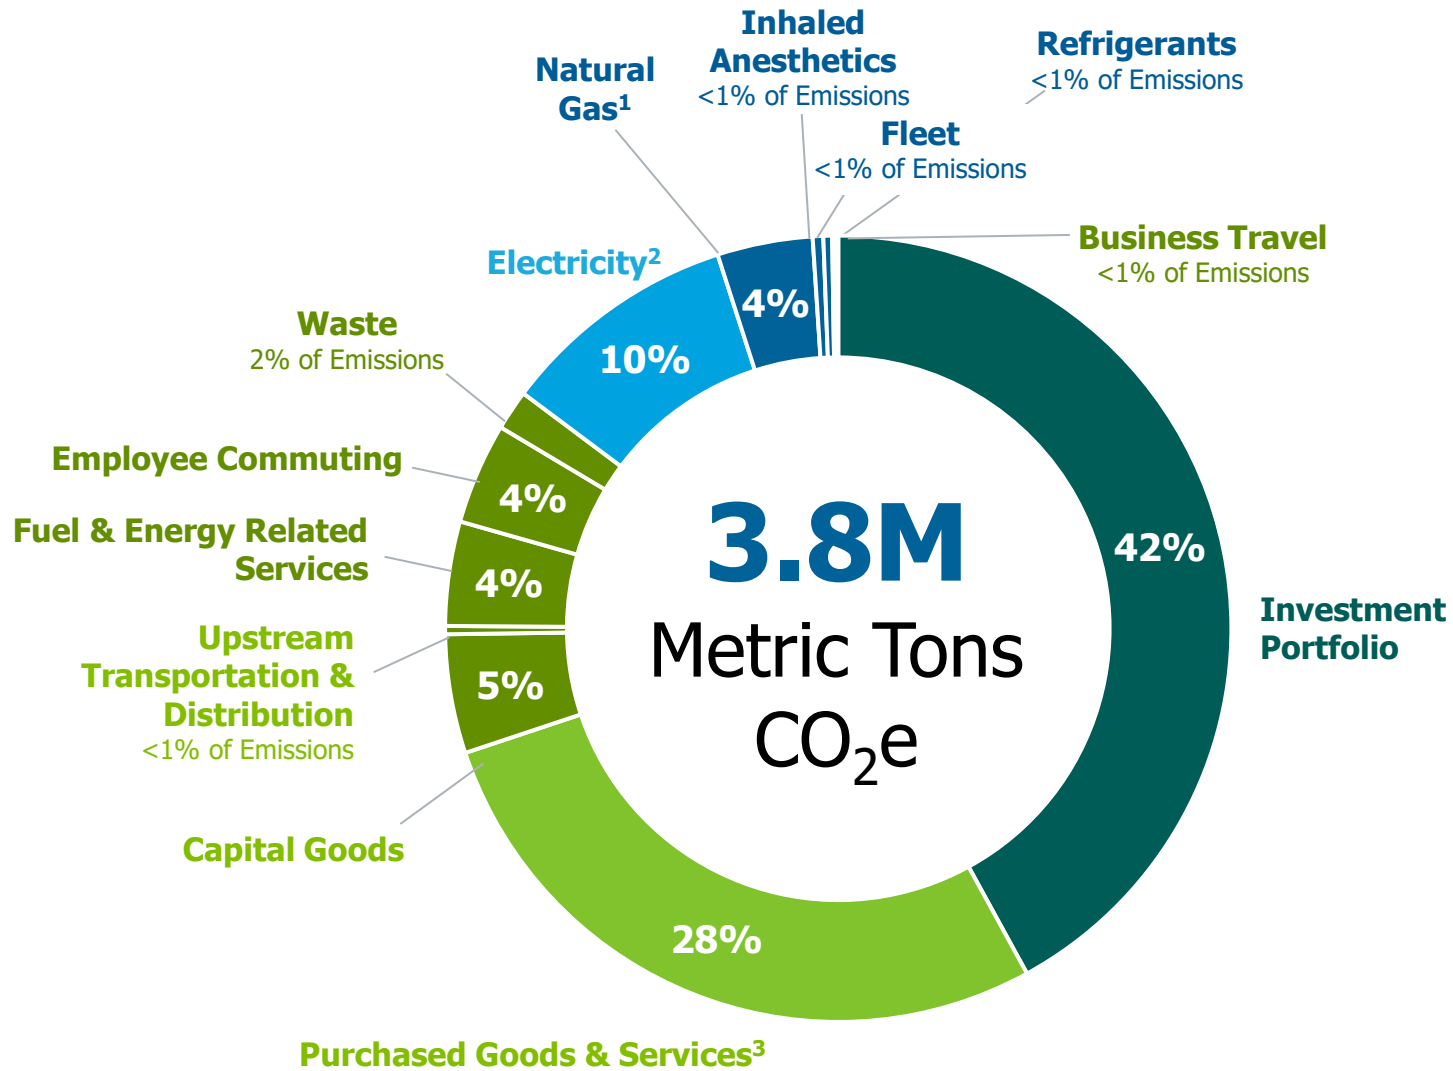

- Launched first of two **Virtual Power Purchase Agreements**
- Implemented **Watershed**, an enterprise-level sustainability platform

2025
EXPAND

- *Launch facility-level **Sustainability Councils***
- *Launch second **Virtual Power Purchase Agreement***

Levers to Reduce Scope 1 & 2 Emissions

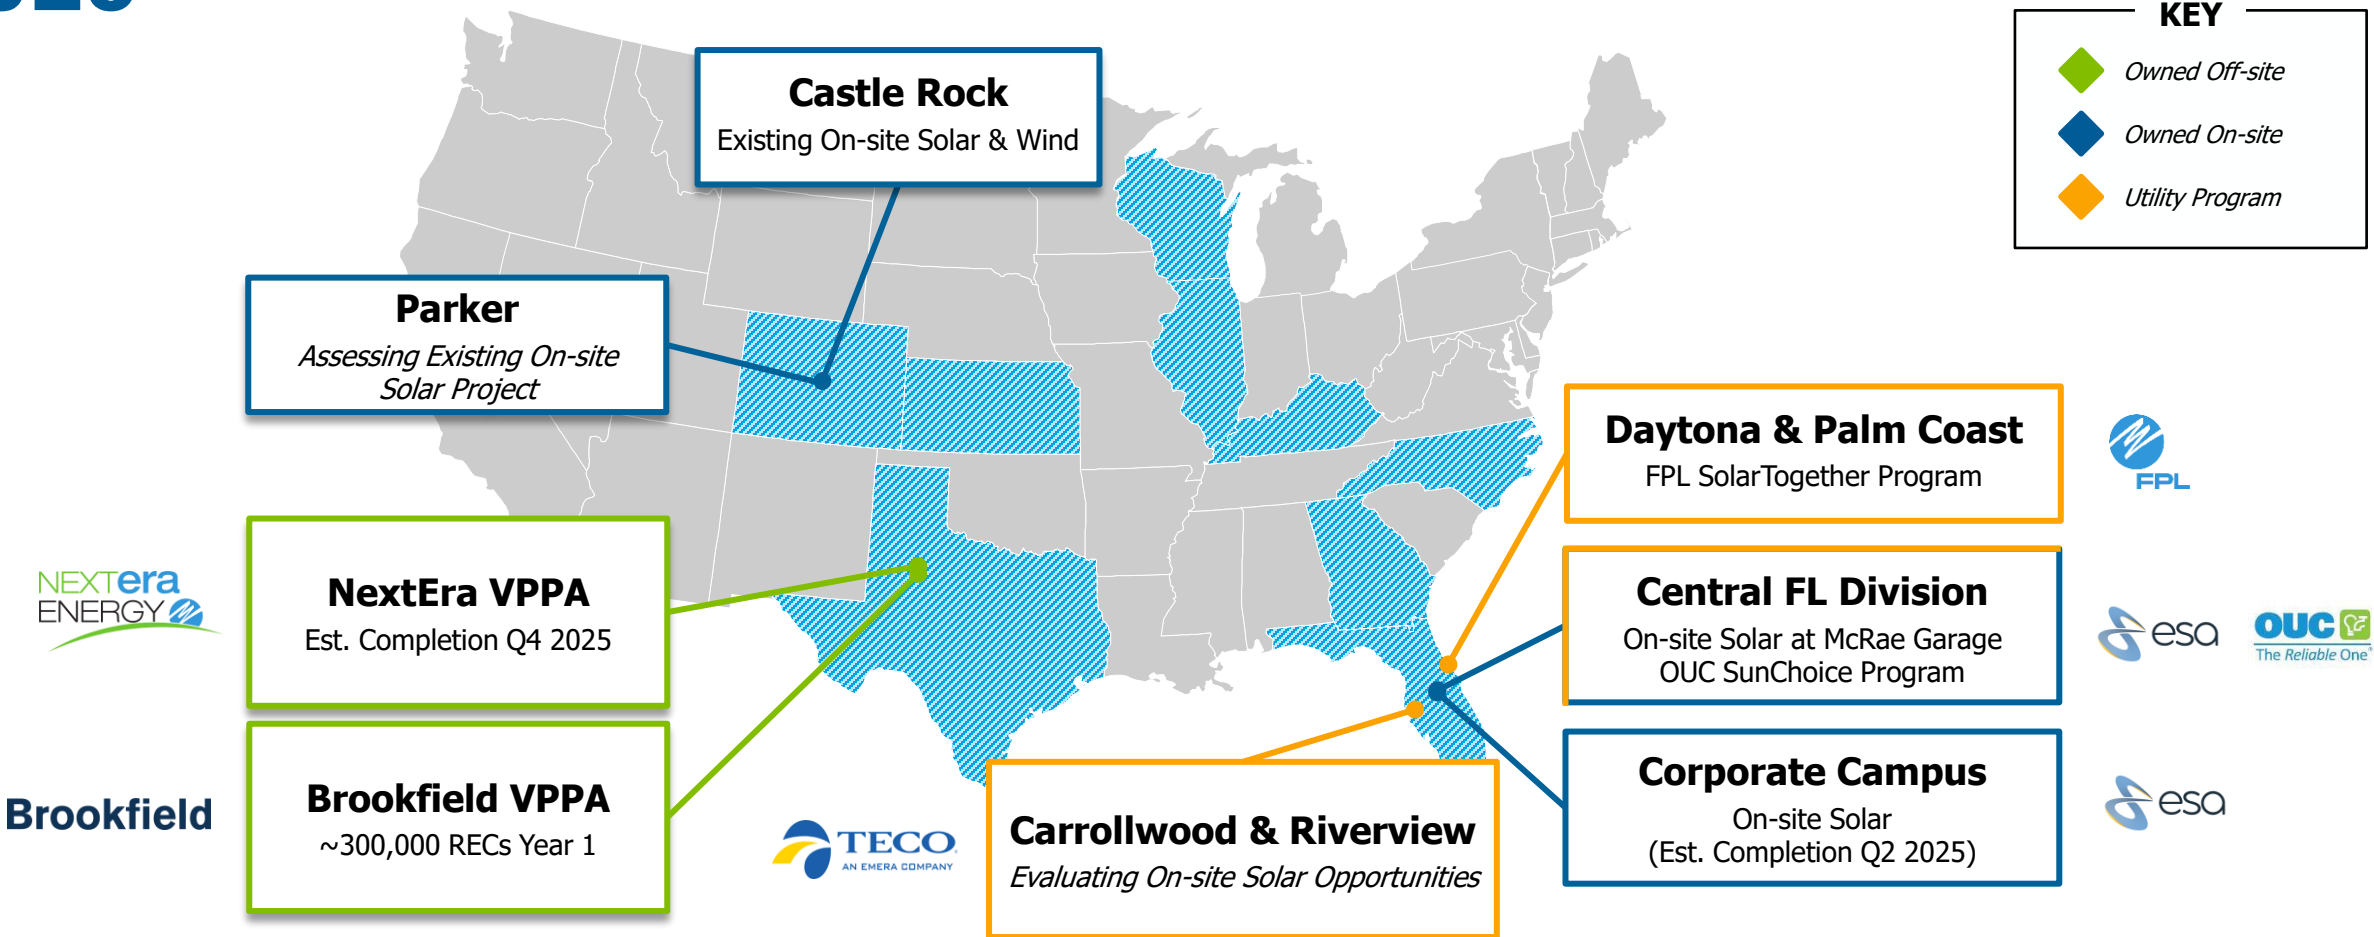

Five levers will help AdventHealth achieve a 50% reduction by 2030

Renewable Energy Projects

On Track to Achieve 100% Renewable Electricity by 2026

Brookfield

Brookfield

Heart of Texas Wind

Technology / Location

Wind / West Texas

Offer Term

12 years

Operational Date

Currently Operational

Offtake Amount

300 GWh

Estimated NPV

\$47M

Stafford Solar

Technology / Location

Solar / West Texas

Offer Term

15 years

Operational Date

January 2026

Offtake Amount

640 GWh

Estimated NPV

\$124M

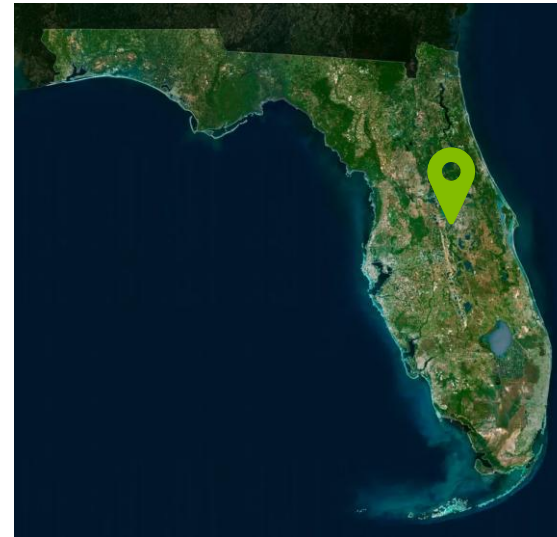

Emissions Reduction

Solar

30% of Corporate Campus Electricity

Corporate Campus

Location	Central Florida
Size	7,500 Panels
Offtake Amount	4,200 MWh Equivalent to Powering 550 Homes

Partner	ESA
Status	Currently Operational
Financials	~\$20M savings over 20 yrs
